Subj: Policy concerning the wear of current position jewels of office

Worthy Sir Knights,

When current position jewels of office are worn, they shall be worn as follows:

The jewel ribbon shall be worn under the shirt collar. The jewel shall be positioned so that it will lie flat below the knot of the long tie being worn. If possible, the jewel should also be displayed over the Service Baldric when it is worn with the Official Dress Uniform and Regalia.*

* In the Laws and Rules of the Fourth Degree with amendments to and including the year 2017, the **Official Dress Uniform** is defined in Section 38 to include the blazer, trousers, necktie, black beret, plain white shirt, black socks and plain black shoes, official fourth degree lapel pin, incumbent medal of office and past and former miniature medals above left blazer pocket. Color Corps **Regalia** is defined in Section 40 as the official dress uniform with the addition of service baldric, sword, and white gloves.

Patriotically yours,

SK Micheal W. Thumm
Colonel, USMC, Retired
Vice Supreme Master
